Cold War Research Questions

Below are some questions to help you get started in your Cold War research. Any additional information may be added to the back of this BLM or in your notebook.

1. What two nations emerged as the leading superpowers after the end of WWII?

2. What was Canada's status in the world after WWII?

3. How would you describe the two superpowers' differences in political and economic ideology?

4. What military action accelerated a "balance of power" struggle between the two remaining superpowers?

5. How did this imbalance of power contribute to the onset of the Cold War?

6. How was Canada affected by this imbalance of power?
